Christ has no body now but yours,
No hands, no feet on earth but yours,
Yours are the eyes through which he looks
Compassion on this world,
Yours are the feet with which he walks to do good,
Yours are the hands, with which he blesses all the world.
Yours are the hands, yours are the feet,
Yours are the eyes, you are his body.
Christ has no body now but yours.

Vision, Mission, and Core Values

What does St. John's aspire to be? What is our vision?

A growing community of faith that continually transforms into the image of Christ through **worship**, **outreach**, and **nurture.**

Why is St. John's here? What is our mission?

We are here to love God (**worship**), love our neighbors (**outreach**), and make disciples (**nurture**).

How does St. John's want to accomplish the mission? What are our core values?

Gather for worship (**worship**)
Devote daily time to connect with God (**worship**)
Serve others (**outreach**)
Connect with others (**outreach**)
Grow disciples (**nurture**)
Care for others (**nurture**)

A Note from Fr. Ripp Hardaway

Living in the midst of one of the craziest times many have ever experienced, I have heard from the people who *are* St. John's. They have expressed incredible gratitude for the support they have received in a time when we cannot gather together. There is hope in the fact that none of this changes the gifts of grace, forgiveness, and love given to us by the life and faithfulness of Jesus Christ. Although our place of worship at St. John's has changed from worshipping in a church building, they feel called to live our faith in new ways in our homes, on the internet, and continually in our community.

This year, we are emphasizing that our commitment to God of our time and our talent is not just *Everybody In!* but that it calls for all of us to be *Everybody Together* (our new tagline for St. John's response during this time). God's gifts have not changed in terms of importance as we give a portion of them back to God. In fact, it may be more important today due to the reality that there is so much separation due to the pandemic. With that in mind, I pray you will continue to discern the many ways in which God has blessed you and how you are being called to use this time and talent to further the work of building God's kingdom on earth as it is in heaven.

As you read this booklet, please take the following steps:

- Ask God where you are being called to use your talents for the good of the Kingdom of Heaven at St. John's.
- Consider this a 1-year commitment to sharing your time and talent for God's glory.
- Strive for balance in your life as you commit to at least one ministry in each mission area—Worship, Outreach, and Nurture—while not selecting more than three in any one mission.
- Fill out your commitment card either as an individual, couple, or family. Please make sure each member has written their name in the line to which they will be committed.
- Take your card and place it in the mailbox on Lee Street so that Rev. Lucy and I may offer them up for you on Sunday mornings during worship.

In Christ, Ripp
