Profile

I am a follower of Jesus Christ. Believing that God has placed a specific calling on my life to minister to people through the musical gifts He has given me, I strive to grow in my knowledge of the Bible and in my personal relationship with Jesus Christ. Being raised in a Christian home and having a minister as a father has deeply rooted my heart in the church. I work to maintain a Biblical world view and a sound theology of worship as I seek to lead people to His throne. I am happily married to a Godly woman, Jessie Jacobs, who is truly a Proverbs 31 woman. We believe that God has a great purpose in store for both of us.

"When I worship, I would rather my heart be without words than my words be without heart"
