Small Group Discussion Questions

1. What one thing stood out to you from the message that you know you will practice getting into an "attitude of gratitude"?

2. Why do you think it is so difficult to give "thanks" in challenging circumstances? Can you give an example when you did give thanks IN a challenging circumstance?

3. Can you remember God's faithfulness to you in easy circumstances? How about in difficult circumstances?

4. Take inventory – where are you in your walk with the Lord such that you feel compelled to give thanks to the Lord "IN" all circumstances? In what areas do you still need to grow? Please remember, we've all started from the same "starting point". This is a process … a journey.

5. Is it easy or difficult for you to "express" appreciation? Why do you think that is for you?

6. How do you think you can and should cultivate a grateful heart? Why do you think it is easy for some to do so and difficult for others to do so?

7. What does your reading of God's Word look like? Is it on a daily basis or when I feel like it basis?

8. How about your prayer life? Do you only go to the Lord in prayer when you need something from Him or are you in prayer on a regular daily basis?

9. What are your thoughts about worship? Do you sing along and really feel the presence of the Holy Spirit, or do you just mouth the words or not participate at all?
