DEAR FIRST UNITED PRESBYTERIAN CHURCH,

This month is flying by and I'd like to draw your attention to a couple of opportunities to participate in the life of the congregation. First, our youth group will be having a very special evening on Wednesday, June 17 at 5:32 PM entitled "SLIME NIGHT." Our very own Ruby Richardson, a slime making expert, will be hosting children and teens in making slime and teaching about how God sticks with people in sticky situations. Do you have a kid, grandchild or neighbor in your life that might be interested in this tactile experience?

Please RSVP through fupguthrie@coxinet.net

Also, this month's mission is supporting Helping Community Paws and Claws. Their mission statement is: "To Spay and Neuter as many animals as possible. Our goal is to help with the overpopulation of unwanted animals and end the suffering." It's a joy to be able to care for God's creation by preventing overpopulation of cats and dogs. Please join us in supporting Lisa New, founder/operator, and all of HCPC. She will be speaking in worship on Sunday, June 21 and you won't want to miss it. Also, rumor has it that she will be bringing a special furry guest along with her.

Please feel free to reach out if you have any questions.

With gratitude,

Rev. Katrina Richardson
