A NOTE FROM FR. RIPP HARDAWAY

In the parable of the talents, Jesus is very clear about the call to use the gifts God has given us to build God's church. At St. John's we accomplish this together through our Vision, Mission, and Core Values. Please know that if this church is to thrive it will take a commitment from every one of us using God's gifts to Grow Together.

In Christ,
Rev. Ripp Hardaway

This first semester, upper grades will explore The Nicene Creed while younger children will use various activities with focus on The Lord's Prayer. Our Sunday school teachers work very hard to provide a loving, creative, and active experience for children to recognize how much God loves us and how we are called to love each other. “But speaking the truth in love,
we must grow up in every way
into him who is the head,
into Christ, from whom the whole body,
joined and knit together by every ligament
with which it is equipped,
as each part is working properly,
promotes the body’s growth in
building itself up in love.”
