

MOVE TO THE RIGHT

We encourage you to use this chart and begin or grow your giving to God and the sharing of the gospel. Start by praying as you consider your giving.

God uses generosity to multiply thanksgiving. As you reflect on how giving impacts others, ask: What’s my next step to move to the right?

- If you’re giving nothing, give something.
- If you’re giving something, give regularly.
- If you’re giving regularly, increase your giving.

Let your next step be a response of gratitude for what God has already done in you—and an act of faith for what He will do through you.

TRANSFORMATIONAL GENEROSITY

Generosity is more than a transaction; it’s a transformation. In our two-week series, Transformational Generosity, we’ll see how giving not only meets needs but changes lives, shapes our hearts, reflects Christ’s character, and unleashes His grace to bring joy, gratitude, and growth in us and through us.

DISCUSSION QUESTIONS (GROUP)

Paul says others will “overflow in many thanksgivings to God” because of generous giving. What might that look like in our context?

How does generosity connect believers across different places, stories, and needs?

What practical needs in our community could be met if we all moved one step to the right?

What story of gratitude might God be writing through your obedience?
