

HAPPENINGS

ROOTED

9.11 Do you believe God has uniquely created you with a purpose and plan? What if you felt the love of Jesus in a profound way? Start experiencing life change and true community. The next Rooted opportunity starts in the Fall!

Join us as we begin a four-part series from the book of Philippians. The letter, written by the Apostle Paul in 50 AD, was to encourage Christ followers on their journey toward Heaven. Paul encouraged them think clearly and live their faith in a way that would honor the Lord and bring joy to their lives. If you are wondering how to process and live in these chaotic times, this study is for you.
