

THE CHURCH HAS LEFT THE BUILDING

MARCH 12, 2020 – APRIL 8, 2020

WHY?

The Covid-19 Virus has entered and threatened the health of Pierce County residents and we want to do our part in containing this virus.

Calvary also has a large population of people in our community that fall in the compromised health category, including pregnant women, those who have heart or respiratory conditions and people who are over the age of 60. We are choosing to be neighborly and honor our Governor's recommendations and watch out for those who are at risk. We can all be a part of helping contain this virus.

God's got this! He is not surprised by this virus and we have an opportunity to be the light in our community.

You are the light of the world. A city set on a hill cannot be hidden. Matthew 5:14

HOURS

Tues – Fri 8:45AM – 4:30PM (253) 863-3352

Thank you for understanding we are limiting face to face contact. You can reach a LIVE Person during these hours via phone. If it is an emergency call 911. If you need to reach our Pastor-On-Call after hours dial the same number and push extension 2. You can also reach us via email info@wearecalvary.com.

MEETINGS

Calvary is following the recommendations of the Tacoma Pierce County Health Department.

- All meetings of 250 or more are suspended at this time, including (in person) weekend services.

Calvary has taken it one step further and is following the King County recommendations of meetings under 250.

• All meetings of 250 and under are suspended at this time, including all onsite groups. We recommend groups do not meet in person at this time. There are creative ways you can meet online or over the phone to uphold social distancing recommendations. Click here to try Zoom! If you need assistance reach out to your Leader. There will soon be a tutorial online.

GROUP COMMUNICATIONS

Our staff will do our best to communicate to Directors, Coaches and Leaders first and then communication will go out to the masses. Thank you for having grace with us, at times we will need to communicate directly to all of Calvary at once to get information out in a timely matter.

SERVING/VOLUNTEERS

At this time we are suspending in person volunteering with the exception of food preparation for local organizations. There is a huge need for phone and online support for congregation contact and engaging with weekend services. We have also contacted our local school districts and are working out how we can best serve them. We will post on ways to serve our community as the needs arise. In the mean time, we can all be neighborly and check on our neighbors and find out how they are really doing. Everyone's situation is unique but we encourage you to use discernment and help where you see fit.

Now you are the body of Christ and individually members of it. 1 Corinthians 12:27

STAFF

We are embracing social distancing by:

- Encouraging our staff to work from home when possible.
- Only meeting face to face in as small of groups as possible.
- Staff that is part of the compromised health category are to work from home.
- Staff are to stay home if they or someone in their family is sick.
