

Dear Community Supporter,

Wouldn't you agree these days mental health and addiction are at an all-time high? There is an epidemic of addiction all around us-the need for resources is great! Addiction takes on many forms and can cause challenges in everyday life. Maybe you know someone who is struggling with drugs, alcohol, food, relationships, anger, depression or anxiety. Freedom is available in a community of support.

On December 23, 2014 a young man named Ryan lost his battle with drug addiction; Ryan was only 29 years old. The pain of this tragedy for Ryan's mother and sister, prompted them to organize an event that continues to bring about awareness and healing for others.

Celebrate Recovery at Calvary Community Church is hosting the 8th Annual Run For Your Life 5K-Run to End Addiction on Saturday, September 17th, 2022 at Bradley Lake Park in Puyallup. This 5K Run/Walk is no ordinary race, but an event where every step has a purpose. Individuals will be walking or running in memory of someone they have lost to addiction, someone who is still fighting the battle, or someone who has overcome a hurt, habit or hang up.

Would you join with us in providing resources for our community by supporting this event as a financial sponsor? Your donation is tax deductible and goes directly to help individuals and families who desperately need HOPE.
