## May Bible Story Theme: Helping, Healing, And Telling

**Monthly Summary:** In May, we discover together how God works through His people to help, heal, and share His love! The month begins with the Early Church taking care of each other (Acts 4:32–37), teaching the importance of sharing and caring. Next, Peter heals Tabitha (Acts 9:36–42), showing that God can work through us to help others. Peter’s Escape from Prison (Acts 12) demonstrates God’s power to protect and deliver His people. Paul heals a man in Lystra (Acts 14:8–18) reminds us that God uses ordinary people to do extraordinary things. Finally, Paul’s Shipwreck and Healing People on Malta (Acts 27–28) shows that even in difficult times, God is with us, helping and guiding.

## Family Discussion Questions

- ❖ Who has helped you recently, and how did that make you feel?
- ❖ How can our family be God’s hands to help someone in need this week?
- ❖ What does this month’s stories teach us about God’s power and love through ordinary people?

## Family Activity
