October Bible Story Theme: God's Rescue Plan Begins

Monthly Summary: In October, we continue following God's Rescue Story. After sin enters God's good creation, God doesn't abandon His people. Instead, His rescue plan begins to unfold. God calls Abraham and promises that through his family, all people will be blessed (Genesis 12:2-3). We then meet Joseph, whose life takes many unexpected and painful turns. Even through the difficult parts of Joseph's story, God is at work (Genesis 50:20). Next, God rescues His people from slavery in Egypt through Moses, showing His incredible power and His care for His people (Exodus 14). Finally, the Israelites travel through the wilderness, where God teaches them to remember who He is and how He has cared for them (Deuteronomy 8:2). These stories remind us that God's rescue plan doesn't always happen quickly or in the way people expect, but God is present and faithful through every part of the journey.

Family Discussion Questions

1. Have you ever had something happen that you didn't understand at first? What did that feel like?
2. What do you notice about the way God stays with people through difficult and uncertain times?
3. Which story from this month makes you most curious about God - Abraham, Joseph, Moses, or the Israelites in the wilderness? Why?

Family Activity

The Rescue Story Road

- Find a long piece of paper, several pieces of paper taped together, or a sidewalk and some chalk.
- Draw a road representing God's Rescue Story.
- Along the road, add the four stories from this month:
 - Abraham - God makes a promise
 - Joseph - God is with us when life is hard
 - Moses - God rescues His people
 - Wilderness - God stays with His people
- Let each family member draw a picture or write something they remember about one of the stories.
- At the end of the road, draw a big question mark.
- Ask: "What do you think God might be leading His people toward?"
- Let your family wonder together!
