# Childcare (Additional)

We understand that not everyone works the same shifts, and we want to help you the best we can. To help us understand what your needs are please give us an idea of what your child's needed schedule looks like. Shade in the boxes of needed care. Put a question mark on the hours of inconsistency or unknowns for each day of the week. If something changes, no worries, just let us know so we can have appropriate amounts of coverage. Please let us know if your child will be leaving at 3 pm as you would be eligible for a discount. You will be billed for both childcare and preschool classes weekly. Your parent handbook will specify which weeks are billed in combination and which are prorated for the holiday. We are closed for : Memorial Day, 4th of July, Labor Day, 3 days at Thanksgiving, 3 days at Christmas, and New Years day. We will close for state of emergency level "warning", when non essential personnel are not permitted to drive.
