

# PRESCHOOL ENROLLMENT

Lifehouse Preschool is a ministry of Lifehouse Church. Rooted in faith, we integrate Christian values and biblical teachings into our daily activities and curriculum. Our developmentally appropriate, hands - on curriculum helps children develop cognitive, social, and emotional skills through play, exploration, and discovery.

#### Age Group

Must be potty trained.

#### Outdoor Play

Our daily outdoor playtime offers children the chance to engage in physical activity, explore nature, and develop skills that support their overall growth.

#### Age-Appropriate Curriculum

#### Chapel Time

Weekly chapel time where children learn about God's love and teachings. Daily prayers, songs, and positive values such as kindness, respect, and gratitude.

#### Music and Movement

Music and movement introduces children to the joy of rhythm, melody and dance. Through interactive songs, instruments and movement activities, children will develop coordination, listening skills and creativity.
