

# Serving Others!

+

Children are Servants too!

Even our smallest ones are disciples,  
following Jesus and loving others!

Through St. Paul, we provide opportunities for children  
to make a gospel-filled impact in their families,  
neighborhoods and world!

+

Every year, we have a variety of Service Projects.

Most occur through our Sunday School ministry.

*Examples include: book drives for local non-profits,  
Christmas kits for refugee families, crayon-collections for  
earth day, and Heifer International animals for Africa.*

+

Thank YOU for encouraging your child to serve the least  
of these as a follower of Christ!
