

# Worship & Music

## with Children...for Children...by Children!

### Welcome to Worship! ✝

Children are invited into worship. We have resources handy for you to use:

- Playground—an area in the gathering space for kids to play & parents to worship
- Busy Bags—with quiet activities inside for use in the sanctuary
- Children's Bulletins—new each week & based on the day's Bible text
- Guide to worship with Children—paper pamphlet made by St. Paul with tips

### Worship includes a weekly Children's Sermon!

Kids are invited to sit with Deacon Emily for a sermon tailored to them

You can watch live or later on the St. Paul YouTube channel

Sunday Morning Worship 8:15am & 10:45am also Live or Later on YouTube

### Making a Joyful Noise! 🎵

Music is valued at St. Paul as an expression of praise and sharing of gifts. At St. Paul, all ages can join in the singing and are invited to share their instruments too. Music is for all!

**Mrs. Becky Rairigh** directs the Music Ministry at St. Paul. She offers opportunities for children to share their instruments throughout the year. Look for information on her seasonal sessions called "Musical Exploration" - fun for all levels of musicians!

**Mrs. Kate Martin** leads singing for our youngest children at the beginning of their Sunday School hour. We love it when these "Sunday School Singers" share a song in worship. They also learn about the liturgy of worship during their time with Ms. Kate! They have a lot of fun!
