SUMMER 2023

*THE ATTRIBUTES OF GOD*  
*KNOWING GOD IN ALL OF HIS GLORY*

## **CLASS INFORMATION**

Class Title: Attributes of God

Class Subtitle: Knowing God in All His Glory!

Class Description: What is God like? What do we know about Him? John Calvin wrote in his famous *Institutes of the Christian Religion*, “Nearly all the wisdom we possess, that is to say, true and sound wisdom, consists of two parts: the knowledge of God and of ourselves.” In this class, we will seek to grow in our knowledge of God so that we may better love him and understand ourselves. We will be following along using the video teachings of Dr. Steven Lawson from Ligonier Ministries. Come and join us as we dive into this important theological study!

Teacher Bio: Hello! We’re Trey and Andrea Mizell. We’re excited to facilitate *The Attributes of God* class this summer and look forward to learning more about who He is. We’ve been married for 16 years, have 3 girls (Alice, 12, Coco, 11, and Jane, 7), and have been members of Emmaus since 2016. We’ve enjoyed being MC Group leaders with the wonderful Walter family since 2017, and we’ve been honored to serve as Deacons since last summer. You’re welcome to join us as we study His Word, who He is, and learn more about the one we adore, God!

Class Resources/Books: Each class participant will receive access to the digital teaching content of *The Attributes of God* class from Dr. Steven Lawson as well as a complimentary book to continue studying the character and attributes of God.
