

We are Called To ...

- **March 24 More Outreach at World Bible School (Matthew 28:19-20)**

So much of the world is coming to Collin County, but many around the world still need to know our Lord. They either don't have churches near them or need help understanding the Bible. World Bible School is ministering to so many people throughout the world. Today, we ask the Lord to call more of His children to help with this ministry and to send us more people to serve.

- **March 25 More Outreach with Thrive (Duet 15:7-11/ John 6:26-35)**

There will always be those who need help, even in this affluent part of the world we find ourselves in. Those who have more than enough should always look to help those who have less, especially when food is scarce. Sometimes, to feed a soul, we need to feed the body first. Today, we ask the Lord to continue blessing the Thrive Ministry and to help those who come for food leave with the knowledge of the Bread of Life.

- **March 26 More Outreach in South Texas and Mexico (Romans 10:14-15)**

There are so many people in the world who don't truly know Christ and how He is the true king of this world. They are searching for something to believe in and don't realize that all they need to do is call on Him. We thank the Lord for those who do the work of preaching and teaching in areas where many have never heard the true good news of our Lord. Today, let's pray for those who are working in South Texas and Mexico. Pray that the Lord continues to guide their actions and that the Lord creates good soil for His word to land in.

- **March 27 More Outreach in Estonia/Central America/Haiti (Matthew 28:19-20)**

We are, of course, all called to make disciples of all nations, but not all of us can actually go to all the nations. Bless the Lord for those who live in areas where the soil is hard and continue to do the hard work. Today, we pray for the work in Estonia, Central America, and Haiti. Amazing work is being done in each of these places, and hard soil is being made fruitful. Pray for the workers in these countries and pray that the Lord continues to soften hearts, and let His will be done in these countries.

- **March 28 Open our eyes to Outreach that God would have us do (John 8:31-36)**

Each of us has a job to do and people that the Lord has put into our lives. Sometimes, though, we don't see the opportunities in front of us. Today, pray that He opens our eyes to the people we can bring to Him. We ask that He bring us the addicted, the sick, the hungry, the wounded, bring us all the ones who feel like no one cares for them. Open our blind eyes and the paths to let us show His love to those who don't yet know it.

- **March 9 More Growth for the Road Conference, Proverbs 27:17**

We have a unique opportunity within this body of believers: we can bring Christians from all over DFW to learn and grow together. Every time we come together, it is an opportunity to strengthen each other. Today, we pray for the annual Road Conference. Let this be a year where everyone who comes leaves with a true conviction to do His will. Even now, let's be praying for those who will attend and those who will teach. Let this conference be His entirely, and let us be sharpened by His will.

- **March 30 More Growth in the Medical Mission's conference Matthew 14:14**

When we are at our best, Christians are known for going and helping. We help when there is a need, and we don't care how it affects us because we are simply following the example of our Lord, who had compassion on the sick. He tells us to follow His example, and at the Medical Missions Conference, we see this put into practice. Today we pray for those around the world, and in our own backyard, who are doing the work of caring for the sick. Ask the Lord today how we can further support those who are doing this good work.
