THEME: GOD'S WONDERFUL IDEA: (have kids sit on the sheets)

We read a book about God's wonderful family with friends who live all over the world. Can you name a place in the world that you would like to go? All of those places all over the world have God's children which means they are a part of God's big family like us in them! Say a country...then have kids say, God's kids live there too!
