He has done that with our hearts and He will do that with all of creation. Let's see who Jesus makes clean in our story today!

ACTIVITY: "Ring the bell and be thankful!" materials: (**bring in a bell from home)

In this Bible the people who were sick were unclean and had to yell "unclean!" OR ring a bell when they were in public. Everything that they touched was unclean. Jesus brought God's realm to earth where everything He touched He made clean. Only one man was thankful, only one didn't believe he was owed this by God and gratitude flooded his heart and came out as action. We are going to do an activity together and we are going to pass around the bell. You can ring it and you are going to share something you are thankful for that God has done!

ACTIVITY 2 "tag"

When Jesus came to earth He brought his kingdom so that everything that Jesus was (His life & love) transformed whatever He touched. Only one leper came back thankful, Jesus touches our hearts and makes us clean and makes us thankful. We are going to play tag and part of your hand is going to touch a friend and if you touch them they are "IT".

PRAYER: Thank you Jesus for bringing your life to us! Amen.
