In our story today we will hear about a man who couldn't walk. Walking was hard - impossible for him. When you were a baby first born, you couldn't walk, what did you learn first? (crawl-kids can show you) then you learned to stand (kids show you)? then you started to walk (kids show you) In our story today the man who Jesus heals wasn't ever able to walk in his whole life! ! Let's learn what happens when he meets Jesus.

REVIEW:

What was wrong with the man in the story?(he couldn't walk)

What did the men do to get their friend to Jesus? (lowered him)

What happened when Jesus said Rise up and walk (the man did)

When Jesus was preaching and the men lowered their friend in through the roof so Jesus could heal them, Jesus said to the man Your sins are forgiven, rise up and walk... and the Pharisees said, who does he think he is! Only God can forgive sin, what does that show us about Jesus? (HE IS GOD!)

He can heal bodies, but the most important miracle is that He forgives sin and sets His us free! When healing happens in the Bible it is as a sign that points to the day when there will be no more sickness, no more death NO MORE tears when God's realm and our realm meet: THE NEW HEAVENS AND THE NEW EARTH.

ACTIVITY: "Lower down!" materials: (**sheet from home)

(have kids take turns lying in the sheet and two adults lower them to the ground)

Jesus' came and brought his kingdom to earth. He made the sick well, the dead alive, the mean greedy people generous and the unclean clean. King Jesus and His power had burst into the earth and we see that in this story like the men that burst into the house through the roof to lower their friend to be healed by Jesus.

ACTIVITY: *"Jump and touch your heart"* **materials:** (none)

Jesus healed a man who couldn't walk but he also does something MORE- He heals the man's heart, he forgives the ways that we are hurtful to Him and other people, and when we only want our own way, he changes our hearts! When I say go you are going to JUMP and TOUCH YOUR HEART. Jesus heals bodies and hearts!

COLOURING SHEET/FREE PLAY/SNACK: Thank you Jesus for bringing your life to us! Amen
