INTRO BIBLE STORY: materials: (letter in an envelope)

Lesly

Have you ever received a letter before? It's a letter to you from someone (just like this letter to me from.... "Read aloud a few sentences")

The Bible is a special book because it's God's love letter to the world. God used people to write this book, but the words are inspired by Him. It is a book full of excitement and adventure and love stories and poems, and history and letters! It is a very very special book!

THE BIBLE STORY (VIDEO): BIBLE STORY OVERVIEW

SING A SONG: Sing to the tune of "Mary Had a Little Lamb" :

Sarah

"We can know what God is like, God is like, God is like!

We can know what God is like

When we read the Bible!"

The Bible is God's words. The Bible tells us about God and His plan to send Jesus. God is good.

KEY PASSAGE VERSE: (think of an active way to teach this to give the kids a break from sitting)

Lesly

"All Scripture is God-breathed and is useful for teaching, for rebuking, correcting and training in righteousness."

2 Timothy 3:16

ACTIVITY: "The Bible is beautiful"

Sarah

materials: (bring in a quilt from home, if you do not have a quilt, print off a picture of a mosaic)

Show a quilt (if it's a quilt have everyone hold the quilt out) or a pic of a mosaic and explain to the children that the Bible is a beautiful story that fits together to form a picture (like this quilt/mosaic) we have to see the beautiful picture of the Bible that is about that God made the world, loved the world and rescued the world in Jesus.

PRAYER: Thank you God for the beautiful story of your Word
