TODDLER BIBLE STORY: materials: (letter in an envelope)

Christina

Have you ever received a letter before? It's a letter to you from someone (just like this letter to me from.... "Read aloud a few sentences")

The Bible is a special book because it's God's love letter to the world. God used people to write this book, but the words are inspired by Him. It is a book full of excitement and adventure and love stories and poems, and history and letters! It is a very very special book!

SING A SONG: Sing to the tune of "Mary Had a Little Lamb" :

"We can know what God is like, God is like, God is like!

We can know what God is like

When we read the Bible!"

The Bible is God's words. The Bible tells us about God and His plan to send Jesus. God is good.

ACTIVITY: "The Bible is beautiful"

materials: (bring in a quilt from home, if you do not have a quilt, print off a picture of a mosaic)

Show a quilt (if it's a quilt have everyone hold the quilt out) or a pic of a mosaic and explain to the children that the Bible is a beautiful story that fits together to form a picture (like this quilt/mosaic) we have to see the beautiful picture of the Bible that is about our God who made the world, loved the world and rescued the world in Jesus.

ACTIVITY: "The path of wisdom" materials: (before class write on paper to spread throughout the room: ' THE TRUTH ABOUT GOD, THE TRUTH ABOUT OURSELVES, THE TRUTH ABOUT OTHERS, THE TRUTH ABOUT THE WORLD (Spread out the papers like a path and invite the class to hop from each paper along the path.)

The Bible is not just a book, it's the TRUTH that holds the world together. God wants us to learn His Words in the Bible, so we learn to be wise and follow His path of wisdom which is truth.

ACTIVITY: " pass the Bible" materials: (Bible)

Pass the Bible around in a circle, while the music plays and when it stops have the one holding the Bible, hug it and say I love your word!
