

MISSIONS NEWS OF THE MONTH

The Missions Team of Harvest Decatur is committed to planting and encouraging churches that preach the Gospel of Jesus Christ to unreached people groups or under-reached communities. Such missions involve sending out workers under the authority of the local church across a geographic, ethnic, or linguistic boundary; or providing financial or material resources. Missions will sometimes include the partnership of parachurch organizations. We give priority to work that is theologically and methodologically sound, to workers with whom we can have significant relationships, and to efforts to increase awareness among members of our church family of needs and opportunities in global missions.

The Missions Team hopes to share some exciting news in the coming weeks! Discussions and planning are moving forward for a Missions Night, possible trips to partner churches and other locations, and a guest pastor later this year. We ask you to pray that God gives us guidance and wisdom as Harvest Decatur works to grow God's Kingdom as commanded in Matthew 28.

PARTNERSHIPS:

Rock Island Bible Church (Rock Island, IL)

Harvest Douala (Douala, Cameroon)

Adana Protestant Baptist Church (Adana, Turkiye)

Millikin InterVarsity
