“God’s work. Our hands.” GWOH

Christ Lutheran Church Hellertown
September 10 - 24, 2022

Each year the Evangelical Lutheran Church in America designates a day and encourages its member churches to serve their neighbor by completing a service project. We here at Christ Lutheran Church Hellertown have designated our official “God’s Work. Our hands.” Day as Sunday, September 18th. However, we have such a dynamic and versatile congregation and faith community that we plan multiple projects across several days. This year we have a nice variety of opportunities for you to get connected and involved, starting on September 10th and running through September 24th. It is a way to reach out and help others in need in our church and local communities. We also have fun working together on doing good! A SignUpGenius page has been opened where you can choose what you might like to do. Just a few options include:

- Blood Donation • Habitat for Humanity Build •
- Pet Food Drive • Pick & Pack Garden Produce •
- Soup Making • Lawn & Yard Work •

You can access SignUpGenius to register for GWOH in three (3) ways:

1. Keep an eye on your emails from the church. Direct links will be included.
2. Go directly to tinyurl.com/49vrset5
3. Go to the SignUpGenius website and ‘Search for a Sign Up’ by using angeladrake1225@gmail.com

If you would like assistance in the registration process, have any questions, or require clarification, please don’t hesitate to reach out:

Connections for the Journey...

Pastor Phil

"No matter who you are or where you are on your faith journey....You are welcome here."

It is September, kickoff month for our church to swing into full gear.

I hope you know, YOU ARE WELCOME TO JUMP BACK INTO CHRIST LUTHERAN.

Covid has changed our habits extensively. One of those habits is church attendance. Yes, Covid is real. Yes, we want to be cautious in our worship practices. If anyone is not feeling well we provide ZOOM so you can watch our worship from your home. Please don't come to church if you are not feeling well. Our balcony is reserved for those who want to mask and have social distance seating.

TO EVERYONE ELSE....this is an INVITATION to get back to church and our community of faith.

Have things changed in your life? Have you started new habits for Sunday mornings? Are you struggling to return for some other reason? Can I pay you a visit? Please feel free to contact the church office or email me directly. I'm glad to talk. pspohn@clcht.org

I feel blessed that we have continued to thrive through these Covid trials. Bible studies, food collections, worship services, men's group, GIGGLES, the Learning Center and our teams, continue to be healthy and functioning. Enid, our Faith Community Nurse, has not skipped a beat and keeps an active schedule aiding all in our faith community who need her nursing expertise.

Our youth and young families have been especially missed. Speaking to other pastors in the area they are noticing the same thing. Our young families are missing. We hope our September Kickoff will help you kick off with us.

On September 11, we will have kickoff Sunday! Faith Formation on Sunday mornings will not be like it ever was!!! See Jaime's, our Youth and Family minister's, article about our new Sunday School program starting September 11.

Then it's "*God work. Our hands.*" Sunday, September 18th. We will have worship at 10am, brunch, then off to work. We have several projects possible, sign up and help us serve our community.

I INVITE YOU TO GET RECONNECTED OR IF YOU ARE SOMEONE JUST CHECKING US OUT, JOIN US IN ALL OF OUR ACTIVITIES TO SEE WHAT A WONDERFUL GROUP OF PEOPLE MAKE UP CHRIST LUTHERAN CHURCH!

Council Corner:

The Church Council met on August 16th and we had plenty to discuss after our long summer recess.

Jaime introduced Council to the new Sunday School program that she has developed and it sounds absolutely amazing. The kids will love it so don't miss out! Enroll your children or grandchildren in this fun and yet prayerful program.

It's time to start planning for the 2023 team budgets. Teams, don't forget to attend the next team meeting which will be held on September 26th at 7:00 pm. Please bring your team's 2023 goals and proposed budget. Team leaders, your Council Liaison will be contacting you to discuss your goals and how they align with the Strategic Plan.

The 2023 church calendar is being developed and will be released in September. There are many fun events planned for 2023 and some great activities coming this fall so be sure to check the church calendar once it has been released.

The connections team will be working on updating the Membership Roster this fall. If you have changed your address or phone number in the past year, please let the office know so we can make that change in the Roster.

Your Council is dedicated to making decisions and providing guidance and direction so that our church will continue to flourish. The August Council Meeting was a good meeting and it was a thrill to begin planning for a great 2023 for Christ Lutheran Church.

If you would like to become a council member in 2023, please contact Nancy DeVogel at 610-984-3173 for more information.

A Matter of Balance (MOB) class is specifically designed to reduce the fear of falling and improve activity levels among community-dwelling older adults. The program includes eight two-hour classes presented to a small group of 8-12 participants led by trained coaches. The program enables participants to reduce the fear of falling by learning to view falls as controllable, setting goals for increasing activity levels, making small changes to reduce fall risks at home, and exercise to increase strength and balance.

For the first time in lecture format, Lama Tsultrim will be sharing her life story: becoming a nun, returning her vows, marriage, motherhood, enduring the death of her child and husband, envisioning and building Tara Mandala International, a 700-acre retreat center in Colorado dedicated to the divine feminine in the Buddhist tradition. Hers is a story of taking grief onto the path. Hers is a story of what is possible. Hers is a story of love, loss, grief and transformation.

Lama Tsultrim Allione is a best-selling author, most recently of *Wisdom Rising: Journey into the Mandala of the Empowered Feminine* (2018). She is the Founder and Spiritual Director of Tara Mandala International and the first American woman to be ordained as a Tibetan Buddhist nun. She was awarded Outstanding Woman in Buddhism (2009), and is internationally recognized as one of the few women lamas in the world today.

Hellertown Community Day

Saturday • August 20, 2022

Dear Community Day Volunteers -

On behalf of the Connections to the Community team, I'd like to thank each of you for volunteering to represent Christ Lutheran Church at Community Day in Hellertown on Saturday. You engaged with people from our community to let them know that everyone is welcome at CLC. The signs around the booth, representing core themes of the church, were attention-getting and provoked conversation. The church's presence at Community Day was a success because of YOU!

Thanks to our set-up and teardown crew of Pastor Phil and Kevin Gough, who performed their tasks cheerfully and efficiently in spite of the heat and humidity. And thanks to Pastor Phil for being on hand throughout the day.

Thanks to Jaime for providing an interactive activity and a take-home souvenir for children and families. And thank you for continuing the theme of "Community" in the "Time for All Ages" in worship yesterday. Thanks to Nikki and Jaclyn for painting lots of faces and letting parents know about the Children's Learning Center and the excellent child care it provides.

Finally, thanks to Barry for the outstanding organization and logistics. Barry made all the graphics, located and staged the materials, raffle prizes, etc., and assisted with the loading and unloading of everything at the church.

As I said in my announcement during the worship service yesterday, we can be proud of our community and grateful for the role that Christ Lutheran Church plays in it.

With appreciation, Dave Willard

Faith at Home: Be Still Bags

Jaime VanNostrand Youth & Family Minister

This practice has been adapted from one that can be found in Traci Smith's Faithful Families: Creating Sacred Moments at Home

Now more than ever, it's important for children and adults to take time to practice inner peace and meditation. This time can be used to listen to God, clear one's mind, and let go of the day's worries and cares. Often with meditation, we think of being still and silent. Since this doesn't work for many children, everyday activities can bring opportunities to meditate on hearing God's voice. When done intentionally, even something like putting together a puzzle is a chance to quiet oneself and listen for God's voice. In this exercise, each family member makes a "quiet time bag" to be used for personal meditation. Later, the family spends time together, each person working on the activities he or she has chosen. In this way, the family is encouraged to take some time to unplug, quiet themselves, and be still.

Materials

1. A special bag for each member of the family
2. Materials that each family member enjoys, and which contribute to his or her sense of inner peace, quiet, and calm. This will vary for each family member depending on personal interests and age. Some examples: knitting or crochet, an inspiring book (with either words or pictures), art supplies, a simple quiet game (nothing with an on/off switch!), blocks, etc.
3. Consider including a notecard where you've written down a bible verse that reminds you of God's invitation to rest. (Matthew 11:28, Exodus 33:14, Psalm 23:1-3, Psalm 46:10, Psalm 62:1, Isaiah 14:7, Matthew 11:28, John 14:27, Philippians 4:7)

How To

Prepare the Quiet Time Bags

1. Explain to family members that, from time to time, your family will be observing quiet time. During this time, each family member will be engaged in the activities found in the quiet time bag. During quiet time it will not be permitted to watch TV or use any other electronics.
2. Hand out bags to older children and allow them to select their own activities for their bags. Provide guidance and suggestions for what might go in the bags. Assemble bags with (or for) very young children.
3. Store the bags until it is time to use them.

For Quiet Time

1. Choose a time for the practice. Enforce an electronics-free rule and quiet ambiance.
2. Distribute the quiet time bags to each family member and allow each person to go his or her own way for the time allotted.
3. Gather together at the end of quiet time to collect the bags and talk about the experience. What did you do? Did you enjoy your quiet time? Was it easy or hard to enjoy your rest?

Variations

Instead of assembling one's own bag, have one family member assemble them for the rest of the family as a surprise. Alternate who makes the bags and experiment with each family member's suggestions.

Instead of having individual bags, have a larger bag or basket with a variety of quiet time activities that anyone in your household can choose from.

Instead of having a designated time for quiet time, turn to your quiet time bags when you feel anxious or unsettled and try to rest in God.
