

## Parkway Youth - Parents

Raising Students  
DiscipleLife 2020-2021

The best thing that you can give a child is a healthy you! I believe that when it comes to physical, mental, emotional, and spiritual health, more is caught than taught. Think about yourself. What things did your parents do that you see yourself doing today?

We want to partner with you to become the best version of who God has created you to be for your family! We want to be an integral part of leading you into a growing relationship with Jesus Christ! We want to help you understand the importance of these checkpoints in your life:

- authentic faith
- spiritual disciplines
- thriving relationships
- walking wisely
- every week matters
- ultimate authority
- others first

I will lead a DiscipleLife class on Sunday evenings at 5:00 pm in the College Suite to help you learn, grow and encourage each other around these seven checkpoints. This is a brand new environment for parents, grandparents and anyone else who is raising middle school and high school students. Below you will find the first year of a developing four year cycle for parent ministry.
