

I BELIEVE IN GOD BUT...

Part 1 • May 1, 2022 • #ONELIFEAZ

DISCUSSION QUESTIONS

1. How do you determine what absolute truth is? Do you tend to make decisions yourself, go with the current trends, or look for answers in the Bible? Explain.
2. In the book of Judges, the author says, “Everyone did what they thought was right in their own eyes.” How does this compare to the United States today? How would our country be different if we all lived by biblical truth?
3. Read Hebrews 4:12-13. What does the Bible tell us about itself in this passage? Share a time when God’s word came to life and pierced your heart. What did that experience in your life do?
4. What part(s) of the Bible do you have the most difficulty believing or sharing with others? What steps can you take this week to understand the passage(s) you question?
5. The Bible convicts us when we’ve done something wrong, it encourages us when we need to be lifted up, and it keeps us anchored in truth when culture is swaying in the wind. How would you describe your current connection with the Bible? Why is it so important to know and understand the Bible? How can you take your understanding to a deeper level this week?

ACT ON IT

Commit to reading one chapter of the Bible everyday – starting in the New Testament. If you start this week, you will read the entire New Testament before the end of the year. Make the commitment and encourage each other in your Life Group throughout the summer. Use the YouVersion APP.

MEMORIZE IT

For the word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires. (Hebrews 4:12 NLT)
