DISCUSS IT

1. What does the story of Nehemiah teach us about the importance of spiritual leadership and stepping out in faith, even when the odds seem overwhelming?
2. In what ways does the Bible challenge the idea that Christian life is “hassle-free”? How does understanding the expectation of opposition shape your faith journey?
3. Pastor Jared explained “generational curses” and the concept of passing battles down to children. What battles in your life do you hope to win so future generations don’t have to fight them?

4. Where have you seen wise people, simple people, or “wolves” (evil influences) show up in your life? How do you tend to respond to each type?

5. Pastor Jared shared that, we don’t follow Jesus because He makes life better; we follow Him because He is better than life. How does this perspective affect your commitment to Christ and how you live your life?
