DISCUSS IT

1. In Nehemiah 8, the people "beg the preacher: Give us more! We want more of the Word!" What does this reveal about their spiritual hunger, and how can we cultivate this in our own lives?
2. The "Word of God attracts the Spirit of God, and the Spirit of God attracts people." How have you seen this principle at work in your life or church?
3. There is a distinction made between standing under the authority of the Bible versus judging the Bible by personal standards. Why is this important, and how does it impact our spiritual growth?
4. How do you recognize conviction in your life, and what steps can you take when you feel it?
5. What does "the joy of the Lord is your strength" mean to you personally, and how does repentance restore joy according to Nehemiah 8?

6. The closing challenge is for revival to start within the individual. What practical steps can you take this week to make space for God's presence and joy in your life?
