DISCUSS IT

1. Have you ever viewed the areas of your life as specific "levels?"
 - Why do you think some people settle for "level one" in their spiritual journey?
2. How do the "worries of this life" show up in your own relationship with God? How do they hold you back?
3. What insights do you gain from the Rich Young Ruler's and Judas's stories about how trusting wealth over Jesus can become a spiritual danger?
 - What does Jesus mean by the "deceitfulness of wealth," and how might it be affecting your pursuit of God's best?

4. Why does Jesus make such a strong connection between managing money well and being entrusted with “true riches”?

- How do generosity and giving help break pride and self-reliance in our hearts?

5. What is one area of your life you sense God calling you to take a “next level” step right now?

- What is one action you can take this week to align your heart, your priorities, or your resources more closely with God’s direction?

- RESPOND TO IT

What have you learned about God from His Word? How is He asking you to apply it to your life? When will you apply?
