### Ask these questions to review today's session with your preschooler:

Our Super Clue today is the solar system. What does the solar system help you remember? (The solar system is big and shows you how powerful God is. Something that is so big and vast could only be made by a very big and powerful God.)

Today you learned that God is always powerful. What are ways God shows His power to you every day? (God shows His power by taking care of me every day and in every way.)

What are things you can say about God's power? (God takes care of me. God is strong. God made everything.)

What did you learn from the Bible story today?
