HERE & NOW | PART 2

TALK ABOUT IT

Read Hebrews 11:1-4 together:

“Now faith is confidence in what we hope for and assurance about what we do not see. This is what the ancients were commended for. By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible. By faith Abel brought God a better offering than Cain did. By faith he was commended as righteous, when God spoke well of his offerings. And by faith Abel still speaks, even though he is dead.”

- Faith means trusting God even when we can’t see what will happen next. Is that easy or hard for you? Why?
- Can you think of a time when you had to trust God even though you didn’t understand everything?

PRAY ABOUT IT

Read Proverbs 3:9 together:

“Honor the Lord with what you have and give Him the very best of everything you make and earn.”

- Sometimes it's easy to give away things we don't want anymore. But God asks us to give our best. What could that look like for you?
- Pray together as a family and ask God to help each of you know how to trust Him and take a step of faith.
