

## Partnership Commitment

We view membership as a partnership. As the body of Christ we are partnering together with Jesus to reach the world for Him. As a partner of Crossroads Church you are committing to attend regularly, serve others through your various talents and give faithfully and generously to the mission of Crossroads Church.

I confirm that I have repented of my sins and put my faith in Jesus Christ and received the free gift of salvation.

I confirm that I have been baptized by immersion after salvation.

I confirm that I have completed the Connect Class.

I confirm that I align myself with the Baptist Faith and Message 2000

After examining the general conditions for partnership, I hereby agree to covenant as a partner of Crossroads Church of Benson.
