LOVE • LEARN • GROW

Kindergarten

Thank you for your interest in the Sonshine Christian School. We hope this information is helpful in your decision making process concerning your child's Kindergarten education. Sonshine's goal is to make the first educational experience for your child a positive one with a Christ-centered base. We have small classes with a class limit of 18 students, so we can give more focus on your child. We want your child to love, learn and grow. We will partner with parents in helping children to grow spiritually, academically, socially, and emotionally.

The Sonshine Christian Kindergarten is here to challenge students to develop intellectually, spiritually, physically, and socially. We utilize centers, units, and theme topics in a combination of group and individual instruction to learn the state standards and help our students strive to do their best in their educational journey.
