

TALK IT OVER

May 9, 2021

Review this week's message.

Key Scripture: [Deuteronomy 6:1-9](#)

Start talking. Find a conversation starter for your group.

- What food do you love that a lot of people might find a little odd?

Start thinking. Ask a question to get your group thinking.

- Your kids get their picture of who God is from you. How accurate is that picture? What areas can you focus on to improve their picture of who God is?
- What do you think it means to be child-focused or God-focused when it comes to parenting? What are the differences between the two?

Start sharing. Ask these questions to create openness.

- How would you describe your parenting style? In what ways do you parent like your parents did?
- What are ways you can guide your children, grandchildren, or nieces/nephews with wisdom from God's word instead of wisdom from the world?

Start praying. Be bold and pray with power.

- Take a moment and pray for God to help you build healthy relationships across generations in your family and in your community.

Start doing. Commit to a step and live it out this week.

- Take some time this week and do something fun with your kids, call and talk to your grandkids, write a note to a young family member encouraging them.
