

TALK IT OVER

October 10, 2021

Review this week's message.

Key Scripture: [1 Samuel 17:1-52](#)

Start talking. Find a conversation starter for your group.

- What is something you are afraid or fearful of that some may think is funny?

Start thinking. Ask a question to get your group thinking.

- How have you seen God work in your life in the last week?
- How important is it to have confidence? Is confidence always a good thing? Can confidence in the wrong thing lead to problems?

Start sharing. Ask these questions to create openness.

- Pastor Josh said, "*Running from your problems only gives control to the problems you are running from.*" What does this statement mean to you?
- When do you replace your confidence in God with worry?
- What do you think it means to find your confidence in God? What would that look like for you?

Start praying. Be bold and pray with power.

- Take a moment and pray for God to help you continue to place your confidence more fully in Him no matter the circumstances you are facing.

Start doing. Commit to a step and live it out this week.

- Take some time this week and think of one thing that you need to give to Jesus to place more of your confidence in Him.
