Our objective is to provide a quality experience at the lowest possible price so that more students can experience a life-changing week. Our goal is not to entertain, but rather to bring the teachings of Scripture to life.

**The policies outlined in the 2021 Zona Leader Packet have been updated. Please affirm that you have read and understand each of the following areas:**

\_\_\_\_\_ I have read the Registration Information and Timeline section and am aware of the deadlines for payment and information.

\_\_\_\_\_ I have read the updated qualifications for Zona Leaders and understand that all Zona Leaders will; pass a background check every year, complete the provided online Child Abuse Awareness training by May 21, 2021, and maintain a verified clean driving record to transport students for Mission Life.

\_\_\_\_\_ I will use the updated 2021 Health Form and Release Forms, including the 2021 COVID Release form.

\_\_\_\_\_ I have read and understand that my church will need to provide a certificate of insurance listing the Arizona Southern Baptist Convention as additional insured.

\_\_\_\_\_ I have read and understand the updates to the Health Office and will provide the necessary supplies to assist the Health Office with non-emergency health issues.

\_\_\_\_\_ I have read and understand that no students may room with adult leaders, and that no leader should be alone with a student.

\_\_\_\_\_ I have read and understand that the 2021 COVID policy will be strictly enforced and have created a plan to accommodate any symptoms that may arise.
