

Input Series: The Gospel Of John

Remembering that the purpose of our mid-week groups is “Bringing In” young people to the sphere of gospel influence we will be concentrating on teaching from the Gospels themselves from now on.

Every night at the church should be seen as a gospel occasion that our Christian youth can invite their friends along to.

Our small groups will be the “engine room” of our ministry as we encourage our Christian youth to be praying for and evangelising their unsaved friends.

It isn't possible to deal with every passage in John during the course of the year and so there has been a process of selection to enable clear presentations wherever possible.

It is worth having a key verse that can be used as the theme for the year and to that end, John 20:31 would probably be the best:

“These are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name.”

The actual headings for each passage need not be as they are listed here and so are free to be altered. However, the passages should remain in the order they are written. If an extra night is required, then it can be a “Testimony” night.
