

A Guide to Giving 2021

But just as you excel in everything - in faith, in speech, in knowledge, in complete earnestness and in your love for us—see that you also excel in this grace of giving.

WHY GIVE?

God has been generous to us. Not only has he given us all we are and all we have, but God has given us his one and only son. To give sacrificially is to be like him. It is a profound expression of our love for God and neighbours, of faith that God will provide for us, and of hope as we set our hearts on our heavenly inheritance.

God has also given us the privilege of sharing in his great gospel work. Jesus is gathering people into his kingdom. Through our giving we ‘partner’ with others to proclaim Christ and (under God) see people saved and brought to new life.

God has also given us the responsibility of being ‘stewards’ or ‘managers’ of his resources. Jesus calls us to be “shrewd managers”, using our worldly wealth for eternal purposes. We are not to be like the rich fool who stored up wealth for himself, but wasn’t rich towards God. Instead we are to be “generous and willing to share.” Together we also take responsibility to support those whom we have appointed to preach the gospel.

2021 BUDGET

Our church is working hard to pray and proclaim Christ to the people of our area. We currently have 750 ‘members’ of all ages in 6 congregations. Our various ministries have ongoing contact with a further 1000. We also want to see the 18,000 who live around us, connect with Jesus, and we also serve the wider world by sending gospel workers and partnering with missionaries. To do all this we have three separate funds...

1. General Fund

Our Wardens use this fund for the general running of the church. Around 80% pays for our staff. The rest is used for local evangelism, link missionaries, office costs, building maintenance, small property improvements and other running costs.

Taking account of rental and sundry income (from interest etc), we need to raise \$832,000 from regular giving (or \$69,300 per month).

The collections required for 2021 are 3.2% higher than our actual collections in 2020. This will provide for all our ongoing expenses.

	2020 Actual	2021 Budget
Ministry Staff	589,000	594,000
Admin Staff	86,000	86,000
Church Giving	41,000	42,000
Resources for Ministry	35,000	22,000
Diocesan Costs (Insurance)	50,000	56,000
Property and Utilities	24,000	36,000
Property Improvements	17,000	5,000
Office & Professional expenses	15,000	13,000
	857,000	854,000

2. Apprentice Fund

The Jannali Ministry Apprentice Program (JMAP) trains young men and women to leave us to work as pastors, evangelists, church planters, chaplains, etc.

In 2020 Ben Williams is our JMAP Apprentice. The total annual cost to train Ben is \$43,350.

3. Property Fund

This fund is used to invest in facilities for ministry, particularly major capital (building) projects.

We are currently funding our 'Building for Ministry' project. By God's grace we have been able to extend and refurbish our building. At the start of 2021 we had collected \$1.475m towards the total cost of \$2.267m.

Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

HOW TO GIVE

1. By Direct Deposit

For most people the easiest way to give is to make a deposit, or arrange for your financial institution to deposit, funds direct to the church's bank account. This suits those who use internet banking. No fees are incurred by the church.
