

Women's Learning Day 2025 – Seminar Descriptions

1. Praying Through God's Promises (*Sophie Fenner*)

Learn how to pray for God to bring about His stated will in your life – no matter the season.

2. What About Those Who 'Fall Away'? (*Rosie Mullins*)

How do we understand assurance when it seems like some people 'fall away'?

3. Anchored – Living in the Assurance of the Holy Spirit (*Fiona Dewhurst*)

Discover the steady, guiding presence of the Holy Spirit in your life. In this session we'll explore what the Bible says about how the Spirit brings assurance, comfort and confidence in your walk with Christ.

4. Loving Those Without Assurance (*Bec Lee*)

Sometimes our own personal assurance can bring into stark relief the desperate state of others. How do we live well in the space between longing for Christ's return while fearful for those we love who have not yet accepted His salvation?

5. Digging Deeper: Exploring the richness of Scripture through Biblical word studies (*Penny Steele*)

English translations of the Bible, while valuable, do not always capture the rich cultural, historical, and linguistic depth found in the original Hebrew, Greek, and Aramaic texts. In this session, you will be equipped with practical tools to explore Scripture more deeply through biblical word studies, gaining fresh insights into God's word as it was first written.
