**Operation Christmas Child - Love in a Box!**

As you prepare your shoebox gifts this year for our churchwide Operation Christmas Child project consider this...*when you send a shoebox gift packed with thought and love, it expresses the love of God the Father!* Many times a child will receive an item in their box that will meet a very specific need in their life. This makes it very real that there is a God who knows and cares for them personally. Sometimes reading a personal note that is placed in a box touches the heart of a child and conveys the love of Jesus in a tangible way. That's what a shoebox gift is about, it opens a heart to the love of God our Father and Jesus our Saviour and creates fertile soil for the seed of the gospel to be planted. So as you prepare your boxes this year, pray that God will place your gifts in the hands of special children who need to experience God's love personally. Please consider packing multiple boxes this year or taking boxes to friends or co-workers and asking them to pack too! This will be a great way to share about why we do this ministry as a church and at the same time help us reach our **goal of 400 boxes!** Boxes along with specific instructions are available at our special OCC displays. **All boxes can be brought to church on Nov. 8 - Dedication Sunday!**
