Daily Devotionals—Father's Love Letter

This is a slightly different approach to Lent...focusing on God's love for us rather than just Jesus' suffering. We encourage you to meditate on one statement in the letter each day through Easter. Father's Love Letter is available for kids and adults on our [website](#). You will also find a free book download to help you on this journey and we will post each day's devotion on our [Facebook page](#). All these items are available in our Connect at Home Center or you can text LOVE to 833-440-0137 to get a digital copy.

Weekly Devotional Videos

St. John pastors, Jon Thomas, Tim Perkins and Jet Jones are providing a weekly opportunity to connect with Jesus during this Lenten season. Over the next 8 weeks, join them as they discuss how Jesus suffered for our benefit. We pray you will find your relationship with Him grow stronger as you watch this video series and contemplate the messages. We will post these weekly on [Facebook](#) and [YouTube](#), as well as include them in our Friday newsletter. Text NEWSLETTER to 833-440-0137 to get the video links and all the latest from St. John. You can also text LENT to 833-440-0137 and get the video link sent right to your phone.
