MADNESS in March

Most of the time a large swath of the nation looks at March and thinks college basketball ... March Madness. This time of year is normally reserved for great basketball and there is always a huge upset or two along the road to the Final Four. I tell you what, after February and snowmageddon, I am all madnessed out! Can we get some normalcy, some regular weather, and an end to this Covid madness? Our Heavenly Father doesn't promise us these things; he instead tells us He is our refuge and strength when troubles come! I pray you see Him as that during these times of madness. The next month or two will see a return to some normalcy as we will be doing our yearly Good Friday Shadow Drama. This is an excellent way to see Jesus as our refuge and to invite others to join us so they can see Him as their strength as well!
