

BridgeStudents

High School (9-12th grade)

7-8:15 Tuesdays on-campus groups

Our students all have one thing in common: They want to be seen, known, and valued for who they are. They don't want fake relationships; they want personal ones. In this series, we're going to look at five specific questions they can ask to make the relationships in their lives more real and more personal. How do we know it can happen? Because we're taking a tip from the way Jesus did it to give them an idea of just how to make everything—including their relationship with Him—a little more personal.
