Hello!

I hope you are doing well! Since my last newsletter, a few things have changed. I am no longer home in Virginia, but back on Maui! I am currently in a mandatory two week quarantine with three other girls. Thankfully, we only have three more days until we are finished! It has been nice getting to know my roommates, and get adjusted to the time difference, before we get a busier schedule working with YWAM. Although I am not sure what my role will be in this new season with YWAM, I am excited to see what the Lord has in store!!

Before I left Virginia, when Covid-19 had calmed down a bit, I was able to apply for a job at a place called "Our Father's House." It is a christian nursing home where I used to work in 2017. They are a small, family owned business that use their home as a ministry to love the elderly. I am thankful that I was able to work there, to save money and to bless the people there.

Although I am excited to be back in Maui, it has been a very bittersweet time to leave Virginia. In Virginia, I was able to see a lot of family and a few old friends. I spent a lot of time at home with my parents, but especially one of my sisters, Gwen. We were able to enjoy a lot of special quality times together, and I even got to be home when she had her baby girl, named Sky Ember. Spending the summer with my family was a huge blessing and it was hard to say goodbye. I am very glad that I got to be home during the summer and will always be thankful for all God did these past few months.
