I AFFIRM THAT:

1. I understand that the church does not allow its facilities to be used in a way that contradicts its faith or by persons or groups holding beliefs that contradict the church's faith.
2. To the best of my knowledge the purpose for which I am requesting use of church facilities will not contradict the church's faith, and I commit to promptly disclose any potential conflict for which I am aware or become aware to church staff.
3. I am not aware of any beliefs that are professed by me or the ministry I represent and which is requesting use of the church's facilities that contradict the beliefs of the church. I agree to promptly disclose any potential conflicts in belief to church staff.
4. I understand that upon approval of my facilities use request, I will need to submit any fees required by the church.
5. I understand that the church does not allow its facilities to be generally available to the public, and that my use of these facilities is subject to the pastor's/elders approval, which is conditioned in part on my agreement to the requirements in the "Church Facility Use Policy," a copy of which I have read and understood.
6. I understand that I will be responsible for any damages to the church facilities resulting from this proposed use of facilities.
7. The church believes disputes are to be worked out between parties without recourse to the courts. See, generally, Matthew Chapter 18 and 1 Corinthians Chapter 6. Accordingly, users of the facility agree to attempt resolution through Christian mediation, and failing that to submit to binding arbitration through the American Arbitration Association, or any other mutually acceptable arbitration service.
