March 22, 2020

FINDING A NEW NORMAL If you haven't already heard, our Sunday services are going online only until further notice. What this means is this: **There will be no physical gathering at our LifePoint campus for church, but we will be broadcasting service as usual to all our social media platforms (Facebook, Youtube, and our website).** We're going to worship, we're going to pray, we're going to lean into Scripture, and we're calling you to not only be present online but to engage others online in the comments section of FaceBook if you are set up to do so.

Also in the coming weeks, be watching your email for ways to keep our kids engaged in Bible learning. Our teachers will be sending out videos with a lesson and attaching activity sheets so kids can stay connected to what they've been learning in Children's Church.

We hope everyone is doing well and staying healthy! We want to encourage you to reach out to one another as well as those who are more susceptible to getting sick and check in on each other. This is such an opportunity for us all to be the church, to show love to one another, and put Jesus on display!

Last, but not least, PRAY! Show courage, love, and wisdom to your family and those you have the opportunity to help.

OUT OF THE DARKNESS WALK | April 25

One of the ways LifePoint supports the East Helena community is by participating in the Out of the Darkness Walk. The American Foundation for Suicide Prevention uses the walks nationwide to fund things like scientific research, public education about mood disorders and suicide prevention, and programs and resources for survivors of suicide loss and people at risk. The physical walk has been canceled, but you can still participate in a *virtual* walk by visiting <https://afsp.donordrive.com/index.cfm?fuseaction=donorDrive.event&eventID=6848>.

BABY DEDICATION | May 3rd, 9 a.m.

Baby dedication is a special time for both parents and our church body. It's a time of commitment on your part as a parent to raise your child in the way of the Lord, to raise them under the teaching and guidance of Scripture, and it's also a time for us as a church body to commit ourselves to partner with you in accomplishing this task. The dedication service will happen during the 9:00 a.m. worship service. If you wish to participate, please register at www.lifepointmt.org/events.

BAPTISM SUNDAY | May 31st

Interested in following the Lord in baptism? Want to go public with your faith? Baptism is something every Christian believer is called to do at some point in their faith. We encourage everyone to be baptized, and there's no better time than "Baptism Sunday." You'll get to be baptized along with a group of other believers after the morning worship service. You can do it together as a family, or even have a family member in the water with you! Register today at www.lifepointmt.org/events.

SAVE THE DATE | Family Camp, June 12-14

Spring is here and we wanted to get you the dates for Family Camp to help you plan your family outings. This year we will be camping at White Sandy Campground, Friday-Sunday, June 12-14. The service that Sunday will be at the campground. More details on cost and registration for the limited number of sites will be available in April.
