

# PRESCHOOL

---

Parents, here is a little snap shot of our classrooms! We design our classes for safety, lessons about Jesus, and full of fun!

# 1

## **SANITATION**

Our desire to create a safe environment for your kids to learn in. We want to be a place that you and your family trusts. All of our volunteers wear mask, sanitize areas regularly, and keep areas clean.

# 2

## **SAFETY**

We work hard to keep a safe environment. We have a contactless check-in and check-out process. Our volunteers are background checked and trained.

# 3

## **LESSONS**

Our kids have such a blast during their hour at church! We do individual crafts, worship and a lesson. Our lessons are from Saddleback Church. We have so much fun learning the love of God.
