

Summer SLS Application Form

What is SLS?

Student Leadership School is a program that will train and equip students to be leaders in their everyday lives, at school, church, and in their communities by building a solid foundation in Jesus. Student Leadership School is designed for those who desire a greater and more intimate relationship with Jesus.

In SLS, we:

- Read our Bibles together
- Serve together
- Get out of our comfort zones together
- Pray together
- Worship together
- Are a family

Why should you join SLS?

You should join SLS to be a part of something that is greater than yourself. We work to know Jesus and make Him known everywhere in everything we do. Through SLS, you will learn and grow your foundation in Jesus. This foundation will be something that will last an eternity.

At the end of each year will be a graduation, which we will honor those students who completed at least one semester. The more semesters completed, the more honor you will receive.

Summer SLS Application Form

Our students are always volunteering. A lot of colleges will give out scholarships to students with volunteer hours. We would be happy to partner with students who are interested in those opportunities.

We are offering internships to students starting this year. Our internships will give students a chance to go deeper in their service to the church, grow spiritually with help from staff members, and create an environment to see what full time ministry really looks like. Applications for this will be coming out soon.

Expectations

Before you join SLS, these are our expectations:

- You must have a personal relationship with Jesus.
- You must read your Bible and pray daily.
- You must have a willing attitude to do whatever it takes to glorify God.
- You must attend a service on Sunday.
- You must serve a service on Sunday.
- You must attend once a month trainings during the semester
- You must attend all of the mandatory events on the calendar
- You must be on time to all events

Serve Areas

We believe in serving our church as much as we can. All of Jesus's life He served others and we expect our students to do the same.

These are the serve areas that are available to SLS students:

- **Kids Classroom Volunteer.** If you love kids 0 through 5th grade then this is the choice for you! You will learn to teach kids, play games, and love on kids in the class!
- **Kids Check-Ins.** Check-ins are designed to keep our kids safe. As a check-in volunteer you will check in kids, show them to their classrooms, and run the Prize Counter!
- **Kids Sound Booth.** Do you love to help with sound, media, and lights?
- **Student Leader.** This is an option for students who want to help run services for Momentum. Whether that is being a small

Summer SLS Application Form

group leader to younger students, running the sound booth, posting on the instagram, running a game, or speaking.

- **Production Tech Team.** If you are creative and have a desire to express yourself through the Arts and Technology, then this team will fulfill those outlets. Paint the room with light, fill the room with music, feel the bass flow! Create video elements, light shows, live streams, podcasts, and music mixes. Show people The Gospel through all the most creative avenues available.
- **Worship Volunteer.** This is for any student interested in being apart of the music team for our weekend experience ministry. We're looking for vocalists, guitarist, pianist, bassist, and drummers, so if you're passionate about musical arts and advancing the gospel through song, we'd love for you to be apart of this team.

You can only miss 2 Sundays during a single semester. Missing more than that will result in a meeting with the parent and possible failure for the semester.

Once a Month Training

Once a month training is a time for students to grow. During that time we will have a lot of fun by studying the Bible, learning leadership qualities, serving our community, and building relationships with one another. Bring your Bible and a notebook to take notes with. All campuses will meet at the central location in Sherwood, Arkansas.

You can only miss one once a month training during a single semester. Missing more than that will result in a meeting with the parent and possible failure for the semester.

Summer SLS Application Form

Disciplinary Actions

If an issue arises and disciplinary action must be taken, it will be up to the Student Pastor on the level of action taken. After 2 disciplinary actions during one semester, the student will be removed from SLS for the remainder of that semester. All Corrective Action Statements will be documented and signed by the Student Pastor, student, and parent. If any additional actions are required it will be up to the student to ensure they are met within the guidelines and date set on the Corrective Action Statement. If the student fails to comply or meet the guidelines set they will be removed from SLS for the remainder of the semester.

Application Process

Once you have read all of this information, you can go to www.that.church/students. Scroll down the page until you get to the SLS part, and click register. There will be some important questions that you and a parent need to fill out.

Once you have completed the registration process, your Campus's Student Pastor will reach out to the student applying and the parents of that student as soon as possible to talk about the commitment to this program! Once that is complete then we will see you on May 8th for our first meeting!
