He told them how God made the sky, water, sun, moon, stars, trees, flowers, birds, fish, animals—God made all of it! Ask your child to point to something God made...say, "yes, God made that tree! Yep, He made those birds too!"

Day 2: Gather little people or stuffed animals and have your child set them up like they are in a "school room." Encourage your child to be their "teacher" and play school! How many things can your child teach the "class?" Paul was a teacher too! He taught people about all about God and everything in the world that He made.

Day 3: Paint rocks! Go outside and collect rocks or stones with your child. Set up an area for them to paint the rocks with watercolor paints. How many different ways can they paint their rocks? While painting, tell your child that before Paul taught the people who God was, they worshipped statues made from rocks. Isn't that silly? I'm so glad our God is very much alive!

Parents, siblings, friends, grandmas, neighbors, cousins, the mailman, etc. Help your child say, "Jesus loves_____" and read through all the names you wrote inside the heart.

Day 3: Let's say our memory verse in fun animal voices! Let's be a mouse and use a high, squeaky voice. Great job! Now, let's be lions and say our verse in a low, growly voice. Let's be birds and use a pretty singing voice....and let's be a snake! We can whisper and say, "SSS" between the words.

Day 4: Dance Party! Go to YouTube and look up "Hey Jesus Loves Me (with motions)." Have a dance party with your child as you worship and dance to this great song about how much Jesus loves us!

Preschool God Time - Week of June 28

Day 1

Work on your memory verse today! Video tape your child saying their verse and send it to Miss Randi - rreid@fairfieldcc.org by Tuesday! Your child will be entered into a prize drawing!

"These are written so that you may believe that Jesus is the Christ, the son of God." John 20:31

Day 2

Play "Jesus says..." (like Simon Says)

Tell your child to listen if "Jesus says..." and watch you: touch your head, jump up and down, stomp, clap hands, twist, touch toes, etc.

Tell your child to only mimic movements that follow "Jesus says." Explain that Jesus' friends learned to listen to Jesus. They learned to do the things that Jesus said.

Show your child a map. Say, "People all over the world need to hear that Jesus loves them! Let's learn different ways to say 'Jesus loves you' in different languages. In French, Jesus loves you is 'Jésus t'aime'. In Swahili, Jesus loves you is 'Yesu anakupenda.' In German, Jesus loves you is 'Jesus liebt dich.' And in English, we say, 'Jesus loves you!'"

Day 3

In the Bible story this week, we learned that Peter told other people about the good news of Jesus. Ask your child about people in their lives - grandmas or grandpas, cousins, neighbors - who can they tell about Jesus? Who can they tell that Jesus loves them?

Day 4

Preschool God Time - Week of June 21

Day 1

Gather toy cars or vehicles and find a place on your patio or in a hallway where your kids can drive them all over "a road." Create twists and turns, or a few bumps - be creative. Say, "it's fun rolling our cars on this road! Did you know that Saul was walking on a road just like this when Jesus appeared to him in a big bright light?"

Day 2

Play "I Spy Something Happy" with your child. Say, "I spy something happy in the kitchen!" or "I spy something happy in the backyard!" Enjoy this easy game with your child and remind them that just like a mom is happy or a puppy is happy, so Saul was happy after he met Jesus on the road. Knowing Jesus helped him not be sad anymore.

Smiles for Jesus! Gather lots of sidewalk chalk. On a sunny day, help your child draw lots of smiley faces on the porch or sidewalks. Big, small, and all different colors of smiles! Say, "Jesus made Saul so happy!" Count the smiles for Jesus, play "I spy a smile for Jesus" or even hopscotch on the smiles for Jesus.

Day 3

Go on a walk with your child - along a bike path or a long sidewalk. Talk about "walking along the road." Point out the bright, warm sun. Spy the happy things as you walk. Try to imagine with your child what it would feel like if Jesus just -"POOF"- appeared to you right in the middle of your walk!

Day 4

Preschool God Time - Week of June 14

Day 1

Go outside with your child and collect rocks together - lots of different sizes. Then work together to line them up from smallest, to biggest. Say, "Wow, look at the biggest rock there on the very end! It's so big! The Bible story yesterday had a big rock, remember? An angel rolled it away and then...
Jesus was alive!"

Day 2

It's hot outside and it seems a little funny, but ... read an Easter book together with your child. Say, "when Jesus was alive, He told His friends! And then they told their friends! And then their friends wrote down the story of Jesus being alive. Why? They wrote it down so that you too can hear the story and know and believe that He is alive!"

Grab all of your kitchen or dining room chairs and line them up so that they form a tunnel. Let your child crawl through the tunnel and when they burst out the other side, have them announce their memory verse: "These are written so that you may believe that Jesus is the Christ, the son of God."

Day 3

Play "I Spy Something Alive" with your child. Say, "I spy something alive that runs through the grass God made! or ... "I spy something alive that flies through the sky that God made." Enjoy having fun with your child spying all the amazing and ALIVE things that God made!

Memory Verse:
"Nothing at all can ever
separate us from God's love."

Day 1

Find 10 coins - give your child 9 coins and hide the 10th coin. Say, "I have 10 coins for you, let's count them together. 1-2-3-4-5-6-7-8-9....where's number 10?" Have your child search for the missing coin. When they find it - celebrate, woo hoo!! Just like the lady in the Bible story who celebrated when she found her lost coin.

Day 2

Write numbers 1 - 10 on paper plates. Hide them all over the house. Say, "there are 10 coins hidden around the house, go searching to see if you can find all 10!" When your child finds all of the plates, help them lay them out in order 1 - 10, then count to 10 together. Play it again!

Find something to make noise - party horns, instruments, pots & pans - anything! Say, "remember how the woman in the Bible story celebrated when she found her lost coin? We have something to celebrate too! God loves you and you are very special to him. Now THAT's worth celebrating! Let's make noise and celebrate how much God loves you!"

Go over May's memory verse one more time with your child before we move into June with a new theme and a new verse! Give your child a reward for their hard work!

Then say "God loves the whole world!" Point to England and say, "this is England, does God love the people in England?" (let child answer); repeat for lots of other places.

Day 2

Teach your child the song "He's Got the Whole World in His Hands." Repeat the song but sing "He's got (your child's name) in his hands." Repeat the song again but sing "He's got Mommy and Daddy in his hands." Keep going and sing the song over and over about all the people in your child's life that God loves.

Give your child two different colors of play doh. After they have played for awhile, have them mix the play doh together until the colors are blended.

Then, ask your child if they can separate the colors. (wait a while until they realize they can't) Say, "that's right - you can't separate them! Just like our memory verse, "Nothing at all can ever separate us from God's love."

Give your child a white paper plate and blue & green crayons. Say, "God loves the whole world! Today you can make your own "world" on this plate. Use blue for the water and green for the land." Offer to draw people in the world and a big red heart to remind your child that God loves the whole world.
