

Hello Future ☺

ANCHOR HILL CHURCH

In God's kingdom, **every life is important.** We want to maximize this building to reach as many people as we can.

Our mission is to collectively raise \$125,000, above regular tithes and offerings, over the next three months thus filling our new building with 500 total seats.

Each seat breaks down to \$250 per seat, which includes everything a person sitting in a seat would now experience at Anchor Hill Church.

Here's the numbers behind our new, life changing experience!
